

Dr. Charles Harper
Medicine

Dr. Harper graduated Collinwood High School in 1974. He received his B.A. Degree from Fisk University in 1978, and his D.D.S. from Meharry Medical College in 1982. Dr. Harper received scholarships from Ashland Oil Chemical, Forest City Dental Wives, Louis Stokes Congressional, Midwest Dental Scholarship and Cuyahoga Medical Foundation Scholarship.

While in private practice, Dr. Harper has been a staff dentist for the Cuyahoga County Justice Center, a dental consultant for the Cleveland Headstart Program and a staff dentist on the Northeast Ohio Developmental Center.

He has been involved with Case Western Reserve University research program with the Department of Peridodontics, comparing fluoridated vs. non-fluoridated water on children.

He is actively involved in the Cleveland Dental Society, Ohio Dental Association, American Dental Association, American Practitioners Association, Forest City Dental Society, the National Dental Association, and Alpha Phi Alpha.

He is a Board Member of the Greater Abyssinia Baptist Church, a volunteer lecturer for the Cleveland School Board and the Cleveland Headstart Program.
